

# EU-Funding Opportunities for Translation

9 February 2021 | 5-6 pm (CET) | SPARK-BIH Online Lecture

**5 pm**      **EU-Funding Opportunities for Translation**  
Doerthe Zeese  
Project Manager of “Enterprise Europe Network”  
*at Berlin Partner für Wirtschaft und Technologie*

## Looking for Funding for Translation?

The path from the therapeutic idea to the patient or to the start-up is a long and cost-intensive process that requires financial support at various stages. In this **Online Entrepreneurial Forum Lecture „EU-Funding Opportunities for Translation“ Doerthe Zeese** will report on European funding opportunities that support translation and start-ups in the life science sector. Moreover **Mara-Theresa Klein** will shortly present her role as EU Funding officer at the Charité.
